Hands-On Learning & Fun!

Join Gardens of the Fox Cities for a summer of fun that will turn youngsters into budding gardeners and help them discover and build an appreciation of our precious natural environment.

Marvin's Gardens is a summer-long program for children ages 5 through 12. Each child receives a small garden plot that they will plant with a variety of vegetables, flowers and herbs. Participants will learn how to tend his or her own garden, from watering and weeding to harvesting. The 90 minute weekday classes also incorporate an activity or project, such as discovering bugs, determining if these are pests or pals, learning about soils and how to compost.

Weekly Class Choices

To provide a high level of interaction with each child, the size of our classes is limited. Registrations will be accepted for the following class times on a first-come, first-served basis.

Registration begins March 15 for Friends of the Gardens and April 1 for the general public.

- Tuesdays 9:30 a.m. to 11:00 a.m.
- Wednesdays 4:00 p.m. to 5:30 p.m.
- Thursdays 9:15 a.m. to 10:45 a.m.
- Thursdays 11:00 a.m. to 12:30 p.m.
