Agenda

- 8:30 am Registration & Continental Breakfast**
(Provided by the Herb Society of America – Heart of the Valley Unit)
- 9:00 Everything I Need to Know I Learned in a Garden** with Daniel Dix
Life in the modern world is more stressful than ever before. Learn how to gain equilibrium and peace in a well-designed, well-installed and well-maintained garden.
- 10:30 Break
- 10:40 Root of the Matter: Quality Soils** with Roxanne Rusch
Few subjects are as important to the success of your garden landscape. In this class, learn how to make your gardening efforts easier and more successful.
- 11:40 Lunch
- 12:30 pm Natural Landscaping, Healing the Earth and Ourselves** with Daniel Dix
Many landscape “styles” can damage our most valuable resources. In this class, learn about the latest technological advances and the best landscaping practices that are both beautiful as well as ecologically friendly.
- 2:00 Break
- 2:10 Lasagna Gardening** with Susan Richardson
Learn about this no-dig, no-till organic gardening method that results in rich, fluffy soil that requires very little work from the gardener.

* Beverages are available for purchase.

Speakers

Daniel Dix
WoodSpirit Gardens
Key Note Speaker
www.woodspiritgardens.com

Daniel Dix is owner of WoodSpirit Gardens, a landscape design and installation company located in North Central Minnesota, the heart of the “Lake Country”. A leader in the field of natural landscaping, Daniel has taught at the Minnesota Department of Natural Resources “Landscaping for Wildlife” educational series. He is a published author, photographer, and lecturer. He encourages environmentally friendly construction, research to expand more effective landscape practices, and the need to strengthen ties to the earth.

Roxanne Rusch
Horticulture Instructor
Fox Valley Technical College
www.fvtc.edu

Fox Valley Technical College is dedicated to providing the highest quality technical programs and making it's courses and services as accessible, affordable, and convenient as possible.

Susan Richardson
Director
Community Garden Partnership
www.goodwillncw.org/gardens.htm

Community Garden Partnership provides opportunities for diverse groups to share their experiences and knowledge with other gardeners at a variety of community locations while also promoting such things as self-sufficiency, environmental stewardship, creation of healthy civic space, and donations to food banks.
