

Commemorative Opportunities

Gardens of the Fox Cities offers several unique ways to honor a loved one. Our options include:

- Living memorials: trees, shrubs, perennials, annuals or planted containers.
- Garden benches, arbors, gazebos, fences, and signage.
- Larger items are available. Our master plan details future gardens and groves of trees that may be given as memorials. Equipment such as tractors or trucks.
- Engraved plaques are included with all memorials.

Planned Giving

We invite families to meet with staff to discuss their Planned Giving options. Please contact Executive Director Lynn Van Vreede at 920-993-1900 to set-up an appointment.

Gardens of the Fox Cities is a 38 acre public garden with a mission to promote an appreciation and understanding of plants and gardens in an enriching, inspiring environment.

Memorial Services

Gardens of the Fox Cities provides an option to the traditional funeral service. We offer our 38 acre public garden to families planning a memorial service. The Gardens provides a more relaxed setting for a day to remember a loved one.

It also offers a place to personalize the service such as setting up chairs next to our natural water feature if your loved one enjoyed the outdoors. Other services we provide are:

- Memorial services can be held at any time since the remains are not present. Services can be held any day of the week all year.
- The funeral home will handle either the cremation or burial of the body

and can participate in any part of the service deemed appropriate by the family.

- Services can be held indoors or outdoors. We offer nine formal gardens (butterfly, rose, fragrance, etc.) natural water feature, prairie, forests and wetland areas.
- Families may bring in snacks or use a caterer to assist planning a sit down or buffet style meal.

- The Gardens will set up all chairs, audio or sound systems and work with families if they need any additional services.
- Butterfly or balloon releases can be arranged in advance.
- We can help arrange live music such as a bagpipe player or small folk group.
- Living memorials can be purchased such as trees or bushes then planted during or after the service.
- Base rental cost: \$350 for three hours
